

Hi Stan,

Welcome aboard! We're thrilled you've chosen to try **Go Method** from ACS Technologies. Your free **30-day trial** is now active—giving you the green light to save time, streamline planning, and create a smoother mission trip experience.

Quick resources to help you succeed:

- Go Method Essential Training Plan — Plus, four interactive courses:
  - Account Administration & Customization: Set up your account, add users, and create requirements.
  - Create an Application: Build a digital application with custom questions for smoother approvals.
  - Create a Trip: Design your trip page, collect donations, and launch your first mission trip.
  - Manage the Participant Process: Track participants, documents, and donations from start to finish.
- Getting Started Guide: Set up your account and core features.
- Building Blocks Webinar: Watch an hour-long training on managing trips.
- Mission Trip Planning Checklist – Download timelines, best practices, and pro tips for mission planning
