

Hi Ozella,

Planning mission trips takes enough time—you shouldn't have to enter the same data twice. With **Go Method**, your systems stay in sync automatically, so you can focus on people, not paperwork.

Integrations that save you time:

- Church Management Systems
- Giving Providers
- Background Checks
- Digital Signatures
- Travel Agencies & Insurance

Learn more

- Watch this video to see how Go Method integrates with your systems.
- Read this Help Center article for step-by-step instructions on connecting Go Method with your tools.

New to Go Method?

- Check out our Go Method Essential Training Plan to help you start strong.
- Learn how to set up your account and start using core features with the Getting Started Guide.
- Building Blocks Webinar – Watch our hour-long training session to learn the fundamentals of setting up and managing a trip in Go Method.
- Mission Trip Planning Checklist – Download this checklist packed with
  timelines, best practices, and pro tips for mission planning.

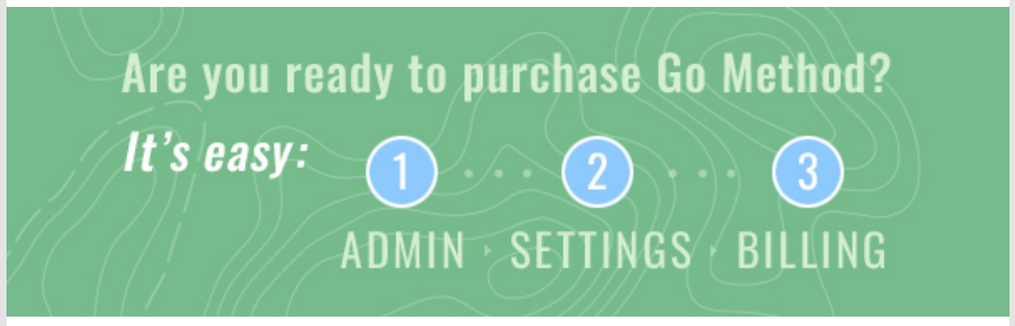

Ready to purchase? Keep your data and continue without interruption:

1. Go to **Admin > Settings > Billing.**
2. Enter your payment info.
3. **Launch** your next trip.
4. **No monthly fees –** Just **$100 per event.**

Need help getting started?
